Time to set up HOUSE!!

Directions: Using furniture catalogs or the Internet, research the following pieces of furniture for your home. The objective is for you to discover what is out in the market by way of design, materials, and cost. For each piece, you are to list two manufacturers and then make your choice as to which one you would purchase. (Circle the one you would buy.) Popular furniture outlets include Crate and Barrel (crateandbarrel.com) Eddie Bauer, Pottery Barn, Ethan Allen, Naturewood, Becks, IKEA, American Furniture Co., and others. **There is no price limit but no eBAY or CRAIGSLIST!!!**

You can:

- Only use same **Manufacturer/Seller 4 times.**
- Only use same **Wood Type 4 times.**
